NOTES

Distributed through Google Fonts, both of these typefaces are Open License. Free to use anywhere.

Supports digital API on all platforms.

CAMPAIGNS, EVENTS, SEASONS

For seasonal celebration, campaigns and events, each market would be allowed to use additional expressive typefaces that fit the occasion—then revert to the standard brand set

CHARACTER/SYMBOL BASED LANGUAGES

Each market can select typefaces that support their language however they should work with the graphic design group in an advisory capacity.

Save the Children

NOTES

Lato replaces Gil Sans Infant Std in our word mark.

The Graphic Design subgroup will continue to finalize design asset and establish guidelines around localization of the logo. More to come.
